

Solid Door Freezer

- **Bottom-Mounted Compressor**
- **Digitally Controlled Temperature**
Freshness of products lasts longer by keeping the correct temperature.
- **Elegant Design**
All units have contoured lines and rounded corners for a modern and elegant look.
- **Stainless Steel**
The Green World Series are constructed of high quality stainless steel on the interior and exterior. Our stainless steel construction will ensure a bright, dent-resistant and durable finish for years to come.
- **Recessed Handles**
Green World's recessed handle enhances our products aesthetically and functionally.
- **LED Display**
Shows exact temperature reading of the unit.
- **Efficient Refrigeration System**
Green World's solid refrigerators and freezers are designed with over-sized evaporators and condensers for faster cooling and greater efficiency.
