• Hardware, Insulation and Construction

Our products keep a stable temperature throughout the unit, even under heavy use.

Inside temperature is controlled automatically, for the best wine taste.

Cabinet body is insulated with 100% foamed-in-place polyurethane foam insulation.

Product comes with adjustable legs.

• Shelving

- Wire shelves are made of heavy gauge metal wire with non-corrosive coating.
- Basket to hold fruit.
- Shelving especially designed to display the fine wines.

• Standard Features

- Black color cabinet.
- Black color frame of door.
- Double pane glass doors with thermal film.
- Wire shelves with non-corrosive coating.
- A fluorescent light for interior display.
- Adjustable leg for stable installation.
